All numbers are expressed as the percentage of students who reached the standard. Schools are alphabetized within each band.

Blue markers indicate prior years when schools were above the statistical estimate on all subtests. 2005-06 indicates school year 2005-06.

Black markers indicate prior years when schools were below the statistical estimate on all subtests. 2005-06 indicates school year 2005-06.

Blue % shows that the percent proficient is more than the proportion of similar students statewide.

Regular type % shows that the percent proficient is the same as the proportion of similar students statewide.

Italic black % shows that the percent proficient is less than the proportion of similar students statewide.
