

**APPROVED POLICY - PLACE IN POLICY MANUAL AT SPACE 4j**

**4j. Virtual Learning Policy**

Beacon Charter Schools does not offer a virtual learning option for students. All classes are conducted in-person in our school facilities. From time to time, virtual learning may be used by Beacon teachers in the case of school closure due to emergencies such as an outbreak or inclement weather. This virtual learning will be conducted by Beacon faculty and staff. Out-of-district placements for special education students remain the purview of the IEP team.

**Approved by the Board of Directors - September 1, 2021**
