

BEACON CHARTER SCHOOLS

20th Anniversary Sponsorship Opportunities

Beacon Charter Schools extends you the opportunity to sponsor a **high-profile signature event**, our 20th Anniversary Celebration and Silent Auction. We're moving our flagship event to The Guild in Pawtucket on May 8, 2023, with lots of unique elements celebrating the student artists of Beacon Charter Schools, while raising funds to complete the Beacon Charter Center for the Arts. This state-of-the-art facility will house Beacon's culinary and theatre programs and allow us to gather our school community for events and celebrations. It is slated to become an essential part of our school campus and a community resource for years to come. **Congressman David Cicilline is among this year's honorees.**

Why sponsor? 1) Students will have access to higher-quality facilities for their arts education. 2) A broad and diverse audience will see your brand associated with a high-quality, arts-based education for students. 3) Most importantly, you will support the talented student artists of Beacon Charter Schools!
